

Troop 505

Webelos Campout

Come join Naperville's Troop 505 for a taste of a Boy Scout weekend campout!

When? The weekend of Oct. 8th - 10th

Where? Kettle Moraine State Park in Wisconsin

Who? Any 2nd year Webelos and a parent

Why? This is a great chance to get to find out what this Boy Scouting thing is all about. Meet some of the boys and Leaders of Troop 505, while doing what we all love to do, **CAMPING!**

During this weekend outing, our Webelos guests will be inserted into our normal Patrols (think of them as Den's) as members. They'll learn how our guys camp, and they'll be able to help in the meal preparation. The adults will be guests of the Adult Patrol. This is a great chance for parents to get to see how Troops camp too.

The rest of the time the boys will get to see how our Scouts work on Merit Badges and other campout activities. This is great opportunity to earn the camping requirement for their Arrow of Light award.

We'll have room for about 20 Webelos/ Parents, so please pass this info along to your families, and let us know if you can join us. I 'd like to hear back from everybody by Sept. 26th.

If there are any questions, please contact: Mark Minter, home #630-355-4726
